CDP SUPPLIER ENGAGEMENT RATING REPORT 2020

CDP DISCLOSURE INSIGHT ACTION

Abbott Laboratories

Region	North America
Country	United States of America
Questionnaire	General
Activity Group	Medical equipment & supplies

CDP evaluates organizations engagement with their suppliers on climate change. Purchasing organizations have the potential to incentivize significant environmental changes through engagement with their suppliers. By evaluating supplier engagement and recognizing best practice, CDP aims to accelerate global action on supply chain emissions. This document presents your supplier engagement rating and helps you benchmark against your peers.
