Dear Customer:

The *Code of Virginia* Section 58.1-624 grants the Tax Commissioner authority to permit a manufacturer, mine operator, or public service corporation to purchase or lease tangible personal property exclusive of the Virginia Sales and Use Tax and pay the applicable tax directly to the Virginia Department of Taxation, (the Department), thus waiving the collection of the tax by the dealer. This direct pay status is authorized to accommodate those circumstances where the taxability of a transaction cannot be readily determined at the time of purchase.

Based on the information provided, we find sufficient basis for granting you a Direct Payment Permit. The permit authorizes you to pay all applicable Sales and Use Tax on the purchase or lease of tangible personal property directly to the Commonwealth. You are required to provide your permit number to those dealers from whom purchases or leases of tangible personal property are made.

Enclosed is your Direct Payment Permit. The required return, Form ST-6, will be sent to you in a separate mailing. This authorization is under the condition that you meet all requirements as outlined for Virginia Retail Sales and Use Tax.
